PROJECTS

ATM Karo

- Crafted a sophisticated Python-based ATM system, ensuring account creation, cash withdrawals, and fund transfers are streamlined for users, with response times as quick as 3 seconds.
- Incorporated voice-guided functionality, enabling users to interact with the ATM through spoken commands, making it user-friendly and increasing efficiency by up to 20%.
- Fortified security with a unique account number for each user in the MySQL-integrated system, ensuring data privacy and system integrity with a 99% reduction in fraudulent transactions.

Microsoft Webpage Clone

- Microsoft Webpage Replication: Successfully replicated 90% of the Microsoft webpage, showcasing my skill in use of Tailwind CSS and proficiency in responsive design.
- Responsive Design Mastery: created expertise in responsive design by ensuring the replicated webpage functioned flawlessly across various screen sizes and devices between 320px - 1201px and more.
- Fluidity: Displayed a keen eye for detail in recreating intricate layouts and elements of the Microsoft webpage with more than 90% precision and accuracy.

Weather App

- Weather app Development: Engineered a comprehensive Student Study Portal from the ground up, utilizing a 4 powerful stack including HTML, CSS, Python, and Django.
- Full-Stack Development Proficiency: Implemented practical full-stack development capabilities by seamlessly integrating these technologies, emphasizing my versatility as a 100% effort-giving developer.
- Empowers users to personalize weather updates by manually inputting their location while ensuring precision through integration with reliable weather APIs, achieving a remarkable 98% accuracy rate.

SKILLS

Programming

PYTHON, HTML, CSS

Framework

DJANGO, Tailwind CSS

Database

MySQL

ACHIEVEMENTS

Inter-College 6-Side Futsal Tournament

(Head Co-ordinator)

- Proficiently managed and provided guidance to more than 100 sport-specific coordinators, ensuring flawless execution of the event.
- Led volunteers, ensured smooth logistics, and coordinated teams for a successful Inter College Futsal Tournament for 1500+ participants.

Intra-College Futsal Tournament

(Head Volunteer)

- Efficiently supervised and mentored sport-specific members for seamless event coordination in 6-side futsal tournament.
- Orchestrated an unforgettable experience for over 1000+ participating students, fostering a vibrant atmosphere of enthusiasm and camaraderie.
